Thanksgiving Family Tips

1. **To Drink or Not to Drink:** It is wise to pass on the cocktails.
2. **Prepare to Deflect:** If a topic is mentioned that is sensitive, prepared on how you wish to change the subject.
3. **Say Cheese:** If the mood is getting heavy, ask folks to pose for the camera. Funny photos tend to lighten the mood.
4. **Put the Game On:** If your family loves football, be sure to turn the game on and start rooting together.
5. **Dress For Success:** If dressing up isn't necessary then wear stylish comfy clothes so the day is that much more enjoyable.
6. **Share the Joy:** If you have fun and exciting news, be sure to share with all that are attending.
7. **Have an Exit Strategy:** Whether you are hosting or visiting. Plan ahead how to wind down the festivities.
